

ADDENDUM NO. 2 to the  
SPECIFICATIONS AND CONTRACT DOCUMENTS

for

JULIA BURGEN PARK DEVELOPMENT

November 20, 2015

The following instructions shall constitute Addendum No. 2 to the specifications and contract documents for the above titled project. They shall supersede any and all instructions and shall become as much a part of the specifications and contract documents as though written therein:

Bid Opening Date: November 23, 2015 at 2:00p

**Pre-bid Meeting Questions**

1. *What is the thickness of concrete for the parking lot ?*

The thickness of concrete for the proposed parking lot is 8". Please refer to construction drawing sheet L6.01, detail 07.

Please note- Project Manual (Specifications), Section 00300, Item 41- 'Parking and Driveway Depth" must state 8" depth.

2. Is there a need for a turn-around (for the fire truck) at Ruby Street while construction is in progress?

Fire access to the existing residential lots on Ruby Street must be maintained while construction is in progress. Turn-around for the fire truck is not necessary while the construction is in progress.

3. *What is the projected start date?*

This really depends on the contract execution. The construction can begin after the contract is executed and the contractor is issued Notice To Proceed.
